  - Here's an example of a brief explanation of why you want to create this fundraiser.

*Join me in raising funds for my favorite charity. Karis Community offers a community-oriented residential program for adults managing serious and persistent mental illness as well as co-occurring substance use disorders. Karis' mission is to provide a community where people heal together. Your gift will support Karis' life-changing Empowerment Program, retain qualified program staff, enhance the availability of services for individuals needing mental health and substance use treatment, and empower them to lead fulfilling and independent lives. Your contribution will make an impact, whether you donate \$5 or \$500. Every little bit helps.*
